## Comments from a prior participant:

**"Thank you for the [stet] offering a superb review course. The material was well organized and thorough. I attended the LA course this June and took my exam in July. I passed! Thank you again for offering this course. I will be sharing with everyone in my AOHP chapter how valuable the information you review is and encourage them not only to apply for certification, but to take advantage of the knowledge and expertise you share in your course."**

## Southern California Education and Research Center

### Who We Are

The Southern California Education and Research Center is a NIOSH (National Institute for Occupational Safety and Health) ERC. It is one of 18 ERCs at major universities whose goal is to train occupational health and safety professionals, provide them with professional development, and train non-professionals in occupational health and safety best practices. It is located in the Fielding School of Public Health at the University of California, Los Angeles, and includes the Center for Occupational and Environmental Medicine at UC Irvine School of Medicine, the Occupational and Environmental Health Nursing Program at the UCLA School of Nursing and the Industrial Hygiene Program at UCLA.
